

HERE ARE SOME FUN AND EFFECTIVE WAYS TO HELP 2ND GRADERS DEVELOP MATH FACTS FLUENCY, ESPECIALLY WITH ADDITION AND SUBTRACTION UP TO 20 (AND EVENTUALLY MULTIPLICATION BASICS):

HANDS-ON GAMES

- MATH FACT WAR – USE PLAYING CARDS (FACE CARDS = 10). EACH PLAYER FLIPS TWO CARDS, ADDS THEM, AND THE HIGHER SUM WINS.
- ROLL & RACE – ROLL TWO DICE, ADD (OR SUBTRACT) THE NUMBERS, AND MOVE THAT MANY SPACES ON A BOARD GAME OR NUMBER LINE.
- BUMPI – USE PRINTABLE GAME BOARDS FOR ADDITION/SUBTRACTION FACTS. PLAYERS ROLL DICE, SOLVE, AND “BUMP” EACH OTHER’S PIECES OFF THE BOARD.
